### The Eagles Band - Ultimate Eagles Experience

The Eagles Band is a stunningly accurate tribute to Southern California's most famous musical group, The Eagles.

One of the most successful bands of the seventies, The

Eagles enjoyed massive worldwide success and conquered the world and even today, the concert DVD "Hell Freezes Over" is still the best selling DVD ever!

Comprising of five talented musicians, each bringing their own style and flair to the group, The Eagles Band is intent on delivering a near replica of a live EAGLES performance that is so precise, so intense, so unbelievable, it comes frighteningly close to the originals themselves.

The Eagles Band takes in all of the Eagles Greatest Hits (Take It Easy, Desperado, Hotel California, New Kid in Town ), to deep album tracks (Victim of Love, Seven Bridges Road),

and even Don Henley and Joe Walsh solo material (Heart of the Matter, Rocky Mountain Way). Presenting a performance that is a raucous, rock & roll show one minute and an intimate acoustic show the next, The Eagles Band performance is suitable for music lovers of all ages.
