

Brothers Hosts CITY v COUNTRY 4 July

Brothers will be hosting the City v Country Game on Saturday 4 July.

The players will be vying for selection in the Queensland Residents team to play NSW Residents at Suncorp Stadium next month in the curtain-raiser to Origin 3.

Televised live, this event is scheduled for 2pm on the main field.

Come on down and enjoy the atmosphere - guaranteed sheer adrenaline.

This game will be followed by Brothers playing Swifts that evening.

Why not make a night of it, and come back into the club for a bite to eat in 'Ipswich's Greatest Kept Secret, the Tryline Steakhouse or the Family Bistro.

Great line up of entertainment to dance the night away.

Brothers Leagues Club - Where Good Friends Meet.

LIAG donates to Mayors Fund

At a recent LIAG (Liquor Industry and Action Group) Meeting held at Brothers Leagues Club, the LIAG Committee presented Mayor Paul Pissasle with a cheque valued at \$4500 to the Mayor's Community Fund. The Mayor was overwhelmed with the generosity of the contribution,

especially as this was collected on ONE day.

LIAG President, Mark Hennelly explained that at a recent annual Race Day, money was raised through raffles and donations. 'Even though the race day was cancelled due to weather conditions, the LIAG committee decided to have a phantom day at the club. Everyone joined forces to create a fantastic day with lots of laughs, delicious food, raffles and great prizes - a winning combination!'

The generosity of guests on the day was astounding, and it is with this type of contribution that such a substantial contribution could be made.
